Filters

We stock most 1" disposable residential size filters.
Order your case (12) today!

Free delivery on case orders.
25% Discount for Walk Ins!

Refrigerants

- Check for leaks*
- Check sub cooling
- Acidity Check*

Controls

- Check thermostat operations
- Check contactor for pitting

Filters add value, efficiency and prevent failure to your system!*

*Important technical note: A common denominator of every failed system visited by our staff during the summer months is a pleated filter, clogged and/or unclogged, contributing to a/c failure. Be sure to change your filters on a monthly or more often if needed. Remember, it's the air you breathe!
